<b>INSTRUCTIONS TO THE STUDENT</b>			

### 1. **INTRODUCTION**

Evidence-based practice is the cornerstone of scientific nursing care. You are therefore required to create a poster depicting the Literature review as part of the research process.

### 2. **ASSESSMENT OUTCOMES**

On completion of this assignment, the student should be able to

- Apply knowledge of the principles of doing/conducting a literature review
- Demonstrate effective use of technology to create a digital poster

### 3. **INSTRUCTIONS TO THE STUDENT**

- This assignment is a cooperative group assignment.
- Your Educator will assign you to groups of 3-4.
- You are allowed to ask for guidance, from the nurse educator and peers, during the assignment compilation until final submission.
- You must choose a Historical Nurse leader from the provided list below (see table 1), and:
  - 1) Create a digital poster, illustrating the process of conducting a literature review on the topic, “Impact of a Historical Nurse Leader on Modern-day Nursing”. It should include the following information:
    - 1.1 Title: “Impact of \_\_\_\_\_ on Modern day Nursing – a Literature Review”
    - 1.2 Brief Introduction to the specified Nurse Leader
    - 1.3 Purpose of the literature review
    - 1.4 Steps in the literature search
      - 1.4.1 Key word used
      - 1.4.2 Types of information sources used.
      - 1.4.3 Primary and secondary sources used.
    - 1.5 Process/steps for the literature review.
    - 1.6 Summarise the information gathered with the literature review on the impact the selected Historical Nurse leader had/still has on modern day nursing.
- You must use any 5 (five) relevant research references to compile your poster (inclusive of textbooks and online sources)
- You will present your poster to your class for assessment by the Educator
- You will have 10 minutes to present your digital poster
- Each group member will complete the peer evaluation of cooperative work (this will count 5% towards the final FNP assignment mark)

#### **3.1 Presentation of the assignment:**

##### 3.1.1 Technical layout

- Use PowerPoint to create your digital poster (only 1 page to include all required information).
- Arial font size needs to be large enough to allow for easy reading.
- Check spelling and ensure professional, correct use of language
- The following information needs to be included on the digital poster

- Student names/surnames
  - The program enrolled for and year of study.
  - Reference list
    - Make use of intext referencing.
    - Make use of the Harvard referencing style.
- 3.1.2 Presentation to class
- You may make use of presentation cards to assist during the presentation.
  - Do not read from the cards, but use them as a reference during your presentation.
