

## **GROUP NORMS That STRIVE TO ENHANCE NURSING AS A PROFESSION**

- \* Holistic care - Being Respectful towards colleagues, patients and their families
- \* Being the best - Always learning and using the latest research for better performance
- \* Working together - sharing decisions, and supporting each other.
- \* Doing what's right - Following ethical rules, being professional, and taking responsibility.
- \* Feeling supported - Communicating openly, feeling safe to speak up, and valuing well-being.

Aim for excellence, teamwork, ethics, and a supportive environment
